## STATE ROOM RESTAURANT WINS "BEST OF" AWARD FOR MSU

EAST LANSING, MICH. - Spartan Hospitality Group at Michigan State University proudly announces a "best of" award received by Kellogg Hotel and Conference Center and the State Room Restaurant on behalf of Michigan State University.

In June, *Wine Spectator Magazine* named the State Room Restaurant a recipient of a "Best of Award of Excellence" for the twelfth consecutive year. According to *Wine Spectator*, "The Best of Award of Excellence, [nationally] granted to 1,168 restaurants in 2017, honors wine programs that take their commitment a step further; it recognizes lists that display excellent breadth across multiple regions and/or significant vertical depth of top wines, along with superior presentation."

This award is *Wine Spectator's* second-tier "best of" award. They also award a first-tier, Award of Excellence and the Grand Award. The State Room is one of only eight venues in Michigan to receive this award in 2017 and the only site in the Capital Regional area to have this honor. State Room manager Marianne Bacon is elated to receive this distinction again and is proud to boast the restaurant carries over 650 selections of wine by the bottle and 18 by the glass offerings.
